DETAILED ACTION

The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Claim Rejections - 35 USC § 103

Claims 45, 49-50, 52, 55, 57 stand rejected under 35 U.S.C. 103(a) as being unpatentable over GOULD et al 4451635 in view of GREEN et al 3931319 and VANDERGAARD 4110286.

Applicant's arguments filed 9/5/07 have been fully considered but they are not persuasive. Arguments are that the now amended claims, at least, overcome the prior art of record. This is not the case, Gould provides the same quaternary derived polyurethane. See col. L3, lines 19-22, & col. 2, lines 37-46). Claim 57 does not have this new constraint, & is met by Gould, absent any disproof by applicant that the Gould polyurethanes are not antimicrobial to at least some extent.

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of

the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
